

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY  
OPERATOR LICENSING SECTION MC 178  
WATER TREATMENT SPECIALIST LICENSE  
ALTERNATIVE CEU COURSE PROVIDERS

The following are alternative courses and providers which are approved CEU hours for  
the Water Treatment License Program.

Please contact the course provider for course information.

**1. SkillWorks, Inc. (correspondence courses – renewal hours only)**

**Math in the Plant – Whole Numbers – 5 hours**

**Math in the Plant – Fractions – 6 hours**

**Basic Chemistry: Part 1 – Elements and Compounds – 12 hours**

**Math in the Plant – Decimals and Percent – 9 hours**

**Math in the Plant – Area and Volume of Common Figures – 2 hours**

**Math in the Plant – Simple Algebra – 3 hours**

**Math in the Plant – Ratio and Proportion – 3 hours**

**Water Chemistry – 3 hours**

**Kenneth MacLean, President Order Line: 877-754-5596**

**Email: [KJMacLean@aol.com](mailto:KJMacLean@aol.com) Phone Number: 508-393-3973**

**2. Confined Space Awareness (8 hours) – TCEQ Course Code 0231.**

**Metroplex Training Center. Phone 817-366-2160.**

**Email: [Helg@backflow-parts.com](mailto:Helg@backflow-parts.com)**

**3. Confined Space Awareness – 8 hours – TCEQ Course code 0231. Flow-Rite Training (this training provider does not teach the Basic or Advanced Water Conditioning). Phone 800-639-9196. [www.flow-ritetraining.com](http://www.flow-ritetraining.com)**

**4. Backflow Prevention – 8 hours – TCEQ Course code 0745.**

**Sundance Irrigation (Jerry R. Lewis). Phone: 800-828-9275 [www.irrigationtraining.com](http://www.irrigationtraining.com)**

**5. Backflow Prevention Assembly Tester – 12 hours – TCEQ course code 1200.**

**See approved BPAT provider list. NOTE: This is a 40 hours course with only 12 hours counting toward WTS renewal.**

**6. Cross-connection & Backflow Prevention Devices – 4 hours – TCEQ course code 1198. Water Education Training Services. Phone 800-692-4100.**

**7. Cross-connection Control – 10 hours – TCEQ course code 0043.**

**Providers: Texas Water Utilities Association. Phone 888-367-8982.**

**<http://www.twua.org>**

**8. Intermediate Water Laboratory – 24 hours – TCEQ course code 0286.**

**Texas Engineering Extension Service (TEEX). Phone 800-824-7303.**

**NOTE: This is a 32 hours course with only 24 hours counting toward WTS renewal.**

**9. Point of Use Water Treatment – 5 hours – TCEQ course code 0945.**

**Technical Learning College. Phone 928-468-0665,**

**NOTE: This is a paper based correspondence course.**

- 10. Principles of Rules & Regulations for BPAT – 8 hours – TCEQ course code 0985.  
TEEX Phone 800-824-7303.**
- 11. Cross-connection Control Refresher Module I – 8 hours – TCEQ course code 1194.  
Cross-connection Control Refresher Module II – 8 hours – TCEQ course code 1195.  
Texas Water Utility Association (TWUA) Phone 512-459-3124. or 888-367-8932.**
- 12. Intro to Cross-connection Control – 8 hours – TCEQ course code 0840.  
Bac-flo Unlimited. Phone 210-698-0411. [www.backflo.com](http://www.backflo.com)**
- 13. BPAT Backflow Awareness – 16 hours – TCEQ course code 1193.  
Construction Education Foundation. Phone 972-574-5200.  
NOTE: a 16 hours course with 8 hours counting toward WTS renewal.**
- 14. BPAT Troubleshooting & Cross-connection Control – 8 hours – TCEQ course code 1199. NOTE: a 16 hours course with only 8 hours counting toward WTS renewal.  
Viking II, Inc. Phone 888-883-3159 Albuquerque, NM  
[hagar@viking2.com](mailto:hagar@viking2.com)**
- 15. Ozone for Point-of-Use (correspondence course) – 6 hours – TCEQ course code 0654. Water Quality Association. Phone: 630-505-0160.
